

Mount Cameron Primary School – Bunsgoil Beinn Chamshroin
Home Learning for Primary 1 Room 1
Week beginning 25th May 2020

Let's see how many of these activities you can complete this week.

<p><u>Weekly Scavenger Hunt</u> Can you take part in this week's Scavenger Hunt? You will find this attached on Google Classroom. Let us know how you get on! 😊</p>	<p><u>Share a Story</u> Share a story with an adult, sibling or one of your teddies! Use an ORT book or your own storybook. Can you think of two or three questions that you could ask your adult, sibling or teddy about the story? 😊</p>	<p><u>Cook Up a Storm!</u> Using the link provided, log on to Nomster Chef and select a yummy recipe that you can cook with your family! Let's see if you can follow the step by step instructions. You could also share your own recipes that you have cooked or baked on Google Classroom. Let's make each other hungry by sharing our delicious creations! 😊</p>	<p><u>Home Learning Pack Materials</u> Keep using your home learning pack materials. If you have completed/used all of these, please use the list attached on Google Classroom to help you with fun new ways of using your sounds, words and number flashcards 😊</p>
<p><u>Snap to it!</u> Create your own game of snap using words or sounds of your choice. You could create cards that show your common words, various sounds, or even your own words that you want to become familiar with. Have fun! 😊</p>	<p><u>Write it, Form it</u> Using your letter formation sheet, or a pencil and paper, and practise forming your letters. Choose 5 letters which you need to improve on and work on these. See Google Classroom for a letter practice template. 😊</p>	<p><u>A Few of my Favourite Things</u> Create a poster that displays your favourite things. You can draw pictures of them and write them down, too. Be sure to include your favourite colours within your poster. You can even share your poster with your friends on Google Classroom! 😊</p>	<p><u>Word Building</u> Pick two or three of your sound cards and see how many words you can create from each sound. You could create a rainbow written list of words, or even work outside with some chalk to build your words. 😊</p>
<p><u>RM Easimaths</u> Log on to RM Easimaths through Glow and play. Let's see who can master some new Numeracy skills 😊</p>	<p><u>Shape Art</u> Create a piece of artwork using circles, squares, triangles and rectangles. Count how many times you use each shape in your artwork. What can you create? 😊</p>	<p><u>Time Talks: Days of the Week</u> How many days of the week are there? It might help to sing the 'Days of the Week' song to an adult at home! Create some 'days of the week' flashcards. Can you put the cards into the correct order? What is your favourite day of the week? 😊</p>	<p><u>Super Movers</u> Log on to BBC Super Movers using the link provided. Let's see if you can follow the routines! Can those at home become Super Movers too? Have fun! 😊</p>
<p><u>This is my Day</u> After exploring the different days of the week, have a little think about what your favourite day of the week is. Can you write about what your favourite day of the week is, and why? What makes this day special? You could even illustrate it, too. 😊</p>	<p><u>Subtract It</u> Lay flash cards of the numbers 1-10 face down and pick up any 2. Using the biggest number first, write down the number sentence. For example, if you pick up 2 and 5, you would record it as $5 - 2 = 3$. You can</p>	<p><u>Number Hunt</u> Go for a walk and look at the door numbers on people's homes. Tell an adult of all the house numbers that you see. For bigger numbers, just say the numbers that you see. 😊</p>	<p><u>Spread Smiles!</u> With the help of someone at home, write down a list of things that make you smile this week. Share your list of smiles with your friends on Google Classroom to spread the smiles!. 😊</p>

Please complete tasks at your own pace. Remember to check your Google Classroom for other activities and to share your learning with us, if you can, so we can celebrate your success and keep in touch 😊
