Other Curricular Areas

Art – A top sports brand have asked you to design a new trainer for them. Use Google to look up other designs from companies like Nike or Adidas and then create your own unique design.

PE – Get some exercise! Try a Joe Wicks workout on YouTube or try some GoNoodle activities.

HWB – Write down 10 things you are grateful for.

Technology – Create a short video/film of yourself telling me about something you love. This can be anything from a hobby, a family member, a toy, a food... you name it! Challenge yourself by speaking Gàidhlig rather than English. I look forward to seeing your video.

Expressive Arts – Write a short song and perform this to your family. Remember that songs usually rhyme. You can record your song and upload it to our Google Classroom stream if you would like to share it with the rest of the class.

Remember to check your Google Classroom/seesaw for other activities.
Please complete tasks at your own pace. Showcase your fantastic learning by
uploading to Google Classroom/seesaw if you can, so we can celebrate your
success and keep in touch 😊
