

Mount Cameron Primary School – Bunsgoil Beinn Chamshroin
Home Learning for Primary 1 Room 1
Week beginning 8th June 2020

Let's see how many of these activities you can complete this week.

<p><u>Weekly Scavenger Hunt</u> This weeks Scavenger Hunt is called a Nature Scavenger Hunt! Can you take part? You will find this attached on Google Classroom. Let us know how you get on! 😊</p>	<p><u>Home Learning Pack Materials</u> Keep using your home learning pack materials. Please use the list attached on Google Classroom to help you with fun new ways of using your sounds, words and number flashcards 😊</p>	<p><u>Head Teachers Google Classroom</u> If you haven't already, please follow the steps on our GC page to help you join the Head Teacher Google Classroom page and engage with the exciting challenges you will find on there. Please let us know if you need help getting access 😊</p>	<p><u>P7 Buddies</u> Your P7 buddies will be moving onto High School soon, can you create a picture/card and a short message for them? You can be as creative as you like with this task. We will then sent this onto your buddies. We know they will LOVE hearing from you 😊</p>
<p><u>So, it's Summer!</u> Paint or draw a picture of a Summer tree. How will your tree look? What colours will you use so that it looks just like the trees that you see outdoors? I wonder if there are any animals that you could add to your artwork that might be seen on or around your tree...</p>	<p><u>Describe Them!</u> Choose your favourite character from one of your favourite stories and write a description of them. Can you illustrate your character too? A useful describing words mat will be provided on GC. 😊</p>	<p><u>RM Easimaths</u> Log on to RM Easimaths through Glow or one of the other suggested Numeracy Games. Let's see who can master some new Numeracy skills 😊. Remember to look out for certificates on ParentMail.</p>	<p><u>Super Symmetry</u> Have you seen any butterflies when you have been outside? Your challenge is to create your own symmetrical butterfly using the templates provided. You can even create your own symmetrical butterfly if you like. Your friends and teachers look forward to seeing your beautiful butterflies! 😊</p>
<p><u>Grandad's Island</u> Listen to this story – Grandad's Island by Benji Davis using the link provided on GC. What was your favourite part of the story? Why? 😊</p>	<p><u>Star Moments</u> What have been your star moments at home? Draw or write about four of your favourite moments when being at home. You could even stick in photographs if you like! We will provide a template on GC. 😊</p>	<p><u>Spot the Difference</u> Find 30 objects from around your home and line them up. Count them and check that you have 30. Ask an adult to take one object away. How many do you have now? Continue to add and take away objects to become more familiar with numbers to 30. 😊</p>	<p><u>Stretch it Out</u> Choose a Cosmic Kids yoga video using the YouTube link provided on GC and enjoy! How does doing yoga make you feel? 😊</p>
<p><u>Songs and Rhymes</u> Have a little sing song at home by selecting some songs of your choice. Can you find the words that rhyme in the songs? Record the rhyming words that you find!</p>	<p><u>Magical Music</u> Can you create a wind chime using recycled materials? Ideas and inspiration will be provided on GC. Let's get creative! 😊</p>	<p><u>One More, One Less</u> Ask your grown-up to tell you a number. Place this number of raisins or cereal pieces on your plate. If your grown-up says 'one more', can you add one more and say the number you have? If your grown-up says 'one less', can you eat one then count the number you have left? 😊</p>	<p><u>Fill It Up</u> Find 6 cups, jars or containers. With the help of an adult, fill each one up and label them as being: full, empty, half full, half empty, nearly full and nearly empty. You could use post-its as labels or create your own using paper or card. Enjoy! 😊</p>

Please complete tasks at your own pace. Remember to check your Google Classroom for other activities and to share your learning with us, if you can, so we can celebrate your success and keep in touch 😊
