

Mount Cameron Primary School – Bunsgoil Beinn Chamshroin  
Home Learning for Primary 1 Room 1  
Week beginning 15th June 2020

Let's see how many of these activities you can complete this week.

<p><b><u>Weekly Scavenger Hunt</u></b> This weeks Scavenger Hunt is called a <b>Cuboid Hunt!</b> How many objets can you find around your house/on your walk that are in the shape of a cuboid? Can you take pictures or make a list? Let us know how you get on 😊.</p>	<p><b><u>Home Learning Pack Materials</u></b> Keep using your home learning pack materials. Please use the list attached on Google Classroom to help you with fun new ways of using your sounds, words and number flashcards 😊.</p>	<p><b><u>Charlie, The Claremont Caterpillar</u></b> Claremont Parish Church has invited you to engage in some creative art to promote community spirit during these challenging times. You will find full details for this task on our GC page 😊.</p>	<p><b><u>Four in a Row Dice Addition</u></b> Play four in a row dice addition using the instructions and example of GC as a guide. Create your own board to play on copying these numbers. Let us know if you win 😊.</p>
<p><b><u>Safe in Summer!</u></b> Talk to someone at home about why it is important to stay safe in the sun. Then, create a poster showing all the different ways you can stay safe in the sun 😊.</p>	<p><b><u>Sink or Swim?</u></b> In a sink/bath/paddling pool experiment with objects that sink or float. Discuss why some float and some sink. You could record these on your own chart. We would love to hear about your findings on GC 😊.</p>	<p><b><u>RM Easimaths</u></b> Log on to RM Easimaths through Glow or one of the other suggested Numeracy Games. Let's see who can master some new Numeracy skills. Remember to look out for certificates on ParentMail 😊.</p>	<p><b><u>More Symmetry!</u></b> Can you find examples of symmetry around your house or outside? Take a picture of what you find and upload them on our CG page. Remember symmetrical objects need to be the same on both sides 😊.</p>
<p><b><u>Construction</u></b> Build something with blocks/Lego/Junk. When you are finished, write out steps for someone to follow to recreate same design 😊.</p>	<p><b><u>Your strengths!</u></b> Think of the Strength Cards we use in class. Now, discuss, make a list or draw three things you feel you are very good at in school and at home 😊.</p>	<p><b><u>Mindfulness Colouring</u></b> Listening to some calm music. Colour in the mindfulness sheet provided or draw lines and shapes on blank paper to express how you are feeling while you listen. What music did you listen to? How did you feel? 😊</p>	<p><b><u>Circuit Challenge!</u></b> With someone at home, lets see if you can complete the following circuits challenge: <u>1 minute each station</u> plank, burpees, sit ups, star jumps, running up and down a step 😊.</p>
<p><b><u>Healthy Five!</u></b> Have a looking in the kitchen cupboards and fridge. Can you find five healthy foods? Draw and label the healthy food you find 😊.</p>	<p><b><u>Sharing a Story</u></b> Try to share a story with someone everyday this week. Can you answer questions about the story? Can you create pictures to show the sequence of events that took place in the story? 😊</p>	<p><b><u>'Ch and Sh'</u></b> Go on a 'ch' and 'sh' sound hunt! How many things can you find that begin with these sounds? For example, chair, lunch, shoe, shorts. Record these by writing a list, making a poster or drawing pictures 😊.</p>	<p><b><u>Make a Restaurant!</u></b> Can you create your own restaurant out of toys, junk, pictures? Create a menu of the foods you make at your restaurant and price the items too 😊.</p>

Please complete tasks at your own pace. Remember to check your Google Classroom for other activities and to share your learning with us, if you can, so we can celebrate your success and keep in touch 😊
