

Mount Cameron Primary School – Bunsgoil Beinn Chamshroin  
Home Learning for Primary 1 Room 1  
Week beginning 1<sup>st</sup> June 2020

Let's see how many of these activities you can complete this week.

<p><b><u>Weekly Scavenger Hunt</u></b> This weeks Scavenger Hunt is called a <b>Maths Scavenger Hunt!</b> Can you take part? You will find this attached on Google Classroom. Let us know how you get! 😊</p>	<p><b><u>Home Learning Pack Materials</u></b> Keep using your home learning pack materials. Please use the list attached on Google Classroom to help you with fun new ways of using your sounds, words and number flashcards 😊</p>	<p><b><u>Head Teachers Google Classroom</u></b> If you haven't already, please follow the steps on our GC page to help you join the Head Teacher Google Classroom page and engage with the exciting challenges you will find on there. Please let us know if you need help getting access 😊</p>	<p><b><u>P7 Buddies</u></b> Your P7 buddies will be moving onto High School soon, can you create a picture/card and a short message for them? You can be as creative as you like with this task. We will then sent this onto your buddies. We know they will LOVE hearing from you 😊</p>
<p><b><u>Create Your Own Monster</u></b> Create your own monster and draw a colourful picture of it. You might have story books that will help inspire you. We will be posting pictures of monsters we have created on Google Classroom too 😊</p>	<p><b><u>My Monster</u></b> Tell your friends and teachers about your monster by writing a sentence about it. What is your monsters name? Does it have any special powers? Be sure to read about your friends and teachers monsters too. <b>Challenge: Write more than one sentence</b> 😊</p>	<p><b><u>RM Easimaths</u></b> Log on to RM Easimaths through Glow or one of the other suggested Numeracy Games. Let's see who can master some new Numeracy skills 😊. Remember to look out for certificates on ParentMail.</p>	<p><b><u>Lead the Way</u></b> Use directional language to give an adult instructions and direct them around the house or garden/outside area. <b>Use words such as forward, backwards, turn, left, right.</b> If you can, download the BeeBot app to practise this further 😊</p>
<p><b><u>You're the Author</u></b> Read a story with someone at home (a story you have, one we gave you or one online). Then, create a different ending for the story. Draw your new ending and describe it to someone 😊</p>	<p><b><u>Healthy Inside and Out</u></b> Discuss with an adult how we can keep our bodies healthy. Choose five of these and create a poster showing the different things we can do to keep our bodies healthy 😊</p>	<p><b><u>Snakes and Ladders</u></b> Can you make your own Snakes and Ladders game board like the one we have in class? Use numbers 0-30 and tell an adult the instructions. <b>Challenge: write the instructions.</b> We will post some examples 😊</p>	<p><b><u>Star Jump Challenge</u></b> Set a one minute timer and do as many star jumps as you can and record this. Try again the next day, can you beat your score? Can you do more than your people at home? This could be repeated for other exercises 😊</p>
<p><b><u>Sharing a Shell</u></b> Listen to 'Sharing a Shell' by Julia Donaldson (link on GC) and discuss the beginning, middle and end of the story with an adult. Can you identify rhyming words in the story? <b>Challenge: record the rhyming words.</b></p>	<p><b><u>Healthy Inside and Out</u></b> Try to follow '<b>Andy's Wild Workout</b>' on BBC iplayer. Then, try some relaxation breathing and stretching with <b>Moovlee Monkey on Youtube.</b> We will share these links on GC 😊</p>	<p><b><u>Skip Counting in 2s, 5s and 10s</u></b> Keep practising counting in 2s using objects around the house to help you. Can you try counting in 5s and in 10s? Challenge: record this activity and share on GC 😊</p>	<p><b><u>Time Talks</u></b> Talk about the difference between morning, afternoon and evening with someone at home. Talk about, list or draw some of the different things you would do at these times 😊</p>

Please complete tasks at your own pace. Remember to check your Google Classroom for other activities and to share your learning with us, if you can, so we can celebrate your success and keep in touch 😊
